

**The Angus Road Landscaping Initiative is the largest gardening project ever conducted by Richmond Metropolitan Habitat for Humanity, involving over 40 local businesses, landscaping professionals, and master gardeners from throughout the region.**

**Our special thanks go out to the Richmond Professional Grounds Management Society and the following businesses for their leadership and participation in Phase 3 Seeding.**

**Organic Care  
Luxury Lawns  
Shipp & Wilson  
Custom Grounds  
Arbogast Landscape  
Southern States  
Rental Works  
Students from Monican High's Humanity program**
