

BENEFITS OF SPONSORING A HABITAT FOR HUMANITY HOUSE

OPPORTUNITIES TO TEAM BUILD WITH CO-WORKERS OR IN YOUR ORGANIZATION

Building a Habitat house with other members of your organization will give you an opportunity to better know co-workers. This is a productive team building opportunity that will create unity among employees. The interaction with other members of your organization will serve to strengthen your organization by joining everyone together in a common goal. It will give each member new experiences to share with each other outside of the organization.

Organizations also use this opportunity to invite clients to the build in order to build relationships.

MARKETING YOUR ORGANIZATION

Building a Habitat house will give your organization a chance to shine in the public's eye. It will show people that your organization is leader dedicated to giving back to the community.

CHANCE TO GIVE BACK TO RICHMOND

As a Habitat for Humanity house sponsor you will have the great opportunity to work with one of the leading nonprofit organizations in Richmond. Your organization will become part of the positive solution for community revitalization across the city.

PROVIDING AFFORDABLE HOUSING FOR A VERY LOW INCOME FAMILY

Your organization will be helping to build a simple, decent, affordable house with a family who would not ordinarily be able to afford their own house. You will help turn the dream of homeownership into a wonderful reality for a low-income family.

MEET OTHER HABITAT VOLUNTEERS AND STAFF ON THE WORKSITE

The opportunity to meet and get to know people from all over Richmond (or throughout your organization) is a wonderful additional advantage.

PRACTICE AND/OR LEARN HANDS-ON PRACTICAL BUILDING SKILLS

Whether you are a master carpenter or have never seen a hammer in your life, you will learn practical building skills. Habitat provides house leaders who have the experience to manage and guide you through the building of a Habitat house -- whether it is your first house or your fifth one. Being a house sponsor and helping build a Habitat house is like no other building experience in the world.
